Projects

Bloomberg | Product Designer (Capstone Project)

jan 2020 - present | New York NY

Establish and implement a coherent design system used throughout the product ecosystem in the forms of a centralized management system and a project website.

Identify and advocate for key product specifications that would efficiently manage machine learning experiments, enhance experiment reproducibility, and increase collaboration amongst Bloomberg engineers and key stakeholders.

Lead the team in executing high quality design work using low/high-fidelity wireframes, mockups, user journeys, and cross-platform interactive prototypes while providing design mentorship to teammates.

Carnegie Mellon University | UI/UX Designer (Independent study)

sept 2019 - dec 2019 | Pittsburgh PA

Partnered with a developer to deliver the redesign of the web interface targeted at educating users about cybersecurity through an iterative design process.

Experience

Kate Spade | Freelance Dresses Designer

mar 2018 - mar 2019 | New York NY

Designed and innovated products in the dresses category meeting the needs of consumers while pushing for newness.

Club Monaco | Associate Tops & Skirts Designer

jan 2013 - dec 2017 | New York NY

Designed and concepted seasonal styles for Tops and Skirts categories from idea to production.

Managed Assistant Designer in day-to-day tasks, ensuring clear communication with cross-functional team partners.

Awards

Winner of CFDA Liz Claiborne Design Scholarship Award

may 2011 | New York NY
